Greywolf families,

Today's assembly was the second year that the high school choir has come to perform pieces of their winter concert. Our students love seeing the really big "kids" and it helps give them things to start looking forward to in middle and high school. **We love inviting the high school** to be a part of our assemblies throughout the year because it gives students a glimpse into pieces of what their future may hold!

We are ten days into the twelve days of giving food drive and are so excited for this collective blessing to our community. It's never too early to start teaching our kids that communities come together and support each other in many ways. Congratulations to this week's top contributors from Mrs. Newton's class, Mrs. Green's class, Mrs. Corder's class, and Mrs. Drescher's class (twice!). **Thank you families for your donations!**

Next week is the last week of school before Winter Break and we will **celebrate with a spirit week** during which students and staff can dress for the season! Please see the calendar attached. Of course our staff loves celebrating with their students but there is still learning to be done. **You can help support learning** next week by sticking to the usual bedtime routine as much as possible so that students come to school well-rested and ready to learn!

Mrs. Lopez,
GWE Principal

WE NEED STRETCH PANTS

Cleaning your child's closet?

On occasion, students at Greywolf Elementary are in need of changes of clothing during their school day and health services frequently provides them with pants and underwear.

If your children have outgrown any of their clothing, we would greatly appreciate your donation!

Pants with stretch and elastic waistbands work to fit a wider variety of sizes.

Your donation to us would help our students get back to class and feeling good! We are currently in dire need of pants sizes 5-10.

Thank you very much,
School Health Services Staff
(360)582-3305.
