## Greywolf families,

Thank you families for attending conferences this week! This time is so valuable as teachers share important information about student strengths and growth opportunities, and families share with us as well! Please know you don't have to wait for a formal conference to check in on your child's progress throughout the year. Our teachers love building relationships with families and are just an email or phone call away!

Greywolf got a special surprise this week with winter beanies donated by the Seattle Kraken hockey team! These couldn't have been more timely since the weather has gone into full Winter mode! Please be sure your child is wearing a coat and clothing appropriate for the weather because we do have outdoor recesses year-round.

With snow on the horizon, it is important to know where to access information about late starts or closures due to inclement weather, as well

as locations and times for when buses run on modified snow routes. Those can be found here: (click [links](#))

Thank you for your support of the PTA Jog-a-Thon! Final donations were due today, stay tuned for the grand total to be announced in next week's newsletter!

~ Mrs. Lopez, GWE Principal
