OCTOBER 14TH 🐾 FAMILY NEWSLETTER

Greywolf families,

October is a busy month here at Greywolf! Tonight is our first family movie night, we will be showing "Lightyear" in the gym beginning at 5:30. Family movie nights were a Greywolf tradition prior to Covid and we are so excited they are back! You are welcome to bring camping chairs, blankets, pillows, whatever will be comfortable for you. Our PTA pops fresh popcorn; it's our own version of the movie theater experience! All students must be accompanied by an adult.

This afternoon your child came home with details on the upcoming PTA Jog-a-Thon. This fundraiser is dedicated to raising money for additions to our playground. Greywolf is 30 years old and in the recent years we have had to remove equipment/structures that have surpassed their life-span and we'd like to bring in some new equipment for student recesses. The Jog-a-Thon has a paper component for those who like to fundraise in person and turn in cash/check donations. It also has an online component that can be shared via social media, email, or texting so people in your life who live afar can contribute easily. The PTA's goal is to raise \$15,000 with this event and we are excited for what that can do for the recess experience!

Lastly, conferences will be October 31st and November 1st. Be on the look-out for communication from your child's teacher so your conference time can get scheduled at a time that works with your schedule.

Thank you for your support over the first month of school, we are off and running on a great school year!

Thank You!
~ Mrs. Lopez, GWE Principal

BAD WEATHER

With cooler weather approaching, our first and most important priority is to ensure the safety of all our students. It is our goal to inform our families as soon as possible using a variety of communication avenues.

The following options depending on weather conditions:

- Schools will OPEN AT REGULAR TIMES.** Buses will either operate on regular routes at regular times, or on pre-determined snow routes. If buses operate on snow routes in the morning, we will operate on snow routes in the afternoon regardless of changing weather conditions.
- Schools will open on a 2-HOUR DELAYED START.** Greywolf Elementary, 2-hour delayed start time Monday through Friday would be 10:30 a.m. Bus pick-up times will be 2 hours later than the normal times and may operate on regular routes or on snow routes. **A full breakfast may not** be served on a delayed start schedule. Announcements concerning evening activities, practices, etc. will be made on the day of the delay.
- Schools will CLOSE.** If the decision to close is necessary, all scheduled school events, practices, community events that utilize school facilities, etc. will be cancelled.

Our buses are the safest means of transportation during inclement weather. Our drivers are highly trained, and all precautions are taken to ensure the safety of our students. On Snow Route Days **parents must be there to pick up** their student(s) at the drop off locations by the listed times (for those students not walking to their homes). If a parent or responsible adult of a non-walker does not meet their child at the drop off location, the student will remain on the bus and return to the bus garage with the driver.

Rarely is school cancelled as a result of our inability to safely operate our buses. However, a number of factors must be considered when making our inclement weather decision.

Where can I get information about school and weather decisions?

If bad weather conditions, unusual building circumstances, or other unforeseen activities occur during the night or day, Sequim School District will list modified schedule and bus route information on the school district website, www.sequimschools.org and usually by 6:15 a.m.

In the event of a school closure or 2-hour delayed start, the district's automated phone system will begin calling and texting households as early at 6 A.M.

A message will also be sent via e-mail. For this purpose, it is important that your student's school office has up-to-date contact information in Skyward.
